Agency Directors and Budget Officers,

As you may have noticed, ADOA has not sent out invoices to collect the Telecom Infrastructure Investment Charge for FY 2012. In fact, this charge has been eliminated.

However, the funding for those charges was left in agency budgets for a purpose. The State is currently in the process of procuring a new telecommunications contract. Until the contract is awarded, though, it is difficult to predict exactly how seat costs will change and what transition costs may arise. Please set aside your IIC monies to cover these other telecommunications costs that may come later in the year.

If you have any questions regarding this matter, please contact your OSPB analyst.

Thank you for your cooperation.

Sincerely,

**John Arnold
Director, OSPB**
